

Betterfilter® 850-FL

HIGH CAPACITY HARMSCO® UP-FLOW FILTER USING FIVE 170 SQ. FT. FILTER CARTRIDGES FOR COMMERCIAL AND PUBLIC POOLS

Harmsco's Betterfilter® 850-FL provides sparkling clean water, saves energy and conserves space.

It is constructed of low carbon T-316 stainless steel, electro-chemically polished to deliver a ten-year, pro-rated warranty.

This Harmsco® filter installs quickly and easily, requires no costly waste disposal systems, and is available with Harmsco's SuperTuf™ or Tropi-Clean™ filter cartridges media.
